**MEETING WITH GOD**

- Welcome/icebreaker** Describe someone you got to know and how you got to know them!
- Worship** To be in your presence, Better is one day, What a friend we have in Jesus, Rock of Ages.
- Word (verses):**  
9, 11 Moses met with God regularly and God spoke to him. How might God speak with us and what might we be able to do to facilitate that?
- 12- Moses sought to discern God's direction for His people. How can leaders discern God's direction for His church or any ministry within it? What if some people have different ideas?!
- 14- Moses was concerned not to lose God's presence. How can we "keep in step with God's Spirit" or lose His presence?
- 18 Moses asked to witness God's glory. How might we perceive that? How might people be more hungry to experience that today?
- 19-23 What do we learn about God here and how He may be approached? (Remember the New Covenant!)
- Wind/prayer** Ask for God to show more of Himself and His glory!!
- Works/witness** Resolve to spend quality time with God, especially in this season of Lent, and get to know Him better!
